EDUCATION

2015 - 2019 **University/ Bsc. Software Engineering**
Makerere University, Wandegeya
I learnt a lot about different technologies and the need to cope up with all the changes it comes with

2009 - 2014 **UACE & UCE Certificates**
Mengo Senior School, Mengo Bukesa
Introduction to science and all its fundamentals such as the programming essentials as well as computer basics

2001 - 2008 **PLE**
GoodTimes Primary School, Kasubi Kawaala
Description of the education/course.

ACHIEVEMENTS

FreeCode Camp Certificate in HTML5 and CSS
🏆 Obtained a certificate from an online course at free code camp where i acquired web development skills. (https:///www.freecodecamp.org/certification/mawanda/responsive-web-design).

Achievement
🏆 As part of my internship project, I was introduced to FOSS(Free and Open Source Software) where i learn about contributing to open source projects and writing Linux OS loadable drivers

ADDITIONAL ACTIVITIES

⚡ Worked on various projects developing front end software using frameworks such as react, redux, codeigniter.
visit (github.com/mawandahenry).

⚡ worked on a full stack project under WIMEA a collaborative project between east African countries (Makerere University for Uganda) developing a User Interface for an emulated tool that could help new employers to learn how to assemble different components of a weather station

⚡ Wrote different articles on FOSS encouraging others to pick interest and start contributing as well (medium.com/@mawanda111/linux-kernel-contribution-8d4e3bcde6de)
